

# **ASSIGNMENT 13:**

## **Module 17: Web Scraping module Implementation**

**Submission:** You need to upload the **compressed zip file of all your working project files** to drive, grouping it under a single folder and then submit the **accessible link (make sure to enable sharing access)**.

**Reference:** For reference, as mentioned above, please follow **Python course >Module 17**.

### **Note:**

**Make sure you're implementing each practical task done in the course lectures in the module and submitting it. Failing to do above will result in an invalid submission!**

**You can always connect to the mentor using the chat support option for any doubts or queries!**
