

ASSIGNMENT 1:

Module 10 & 11: CALCULATOR USING TKINTER

Submission: You need to upload the **compressed zip file of your working project folder** to drive and then submit the **accessible link** (**make sure to enable sharing access**).

Reference: For reference, as mentioned above, please follow **Python course >Module 10&11**.

To know how to zip the file exactly, follow the below steps:

- Right click on the project folder
- Click on send to
- Then on compressed zip

Refer to the below video if you still face any issues:
